Reference: April Quarterly Report (1/1/98-3/31/98)
In Reply to: FEC Letter of May 22, 1998

Thank you for alerting Friends of Mark Foley of the difficulties in our 1998 1st Quarter report. As always, Friends of Mark Foley strives to provide the most complete and detailed report as possible. We regret that these errors occurred and appreciate your assistance in bringing the problems to our attention.

Staff erroneously entered computer data reflecting the below listed contributions as receipts for the Primary election. The records have been corrected to reflect the following - (corrections are made in bold italics)

Ronald Assaf 21095 Hamlin Drive Boca Raton, FL 33433 Receipt for: <i>General</i>	Sensormatic executive Aggregate YTD > \$1000.00	3/10/98	\$1000.00
James McWilliams 7900 S.E. Little Harbor Drive, E-4 Hobe Sound, FL 33455 Receipt for: <i>General</i>	Retired Aggregate YTD > \$500.00	1/14/98	\$500.00

Again, as discussed over the phone, Mrs. Yee Platt's contribution (as noted in the 1998 1st Quarter report) of \$1000.00 on 3/31/98 exceeded the donor limit by \$500.00. A \$500.00 refund was issued to her on 4/15/98. This refund will be reflected in the 1998 2nd Quarter report.

Thank you for your time and assistance. Should you have questions, please do not hesitate to contact me at (561) 684 9001.
